OFFICE OF THE COMMANDER

7 November 1985

Honorable William J. Casey
Director of Central Intelligence
Washington DC 20505

Dear Mr Casey

Dr Julian Nall, NIO/S&T, was the perfect host in arranging for and personally accompanying me on a comprehensive orientation of CIA on 6 November.

In my 2 1/2 years as Commander of the Foreign Technology Division, my exposure to CIA has been fragmented, generally prompted by a need for interaction on specific issues. Dr Nall arranged an intensive schedule which included briefings and discussions with elements from NIC, DDS&T, DDO, and DDI. The program was perfectly balanced giving me an opportunity to meet both your senior leadership and analysts.

It was a pleasure to confirm that the relationship between CIA and FTD is excellent, carried out on a high professional plane, and mutually supportive. As Commander of FTD, there is little more than I can ask for. Please pass my appreciation to Dr Nall for his support of my visit--his personal attention assured its success.

Sincerely

EARL A. PONTIUS, Colonel, USAF
